

Forthcoming Events

Dear Parents/Guardians,

During this final term there are **two** musical events that you are warmly invited to. The first is '**CALDERFEST**' and the second is our annual '**SUMMER CONCERT**'.

CALDERFEST:

Our annual band night takes place in Quarry Hall at 7.00pm on Thursday 2nd July. This is a great opportunity for budding bands from Year 7 right through to Year 13 to share the same stage and belt out their own songs!

Tickets for this event are £2.50 in advance or £3 on the door. Tickets are on sale from a member of the Music department.

SUMMER CONCERT:

This will take place in Quarry Hall. However, if the weather is glorious on the day it will take place outside on the Memorial lawn. Fresh Strawberries and cream will be on sale at the interval. The performance starts at 6.30pm on Wednesday 8th July.

Tickets are priced at £3 or £2.50 for concessions (£4 entry without a ticket) and are available from a member of the Music department. It would be appreciated if tickets were bought well in advance of the day of the concert for catering purposes.

Please also note that pupils wishing to come along and support their friends **must** be accompanied by an adult.

Thank you for your continued support and I look forward to seeing you at these events.

Kind Regards

Mr C. Sheard
Head of Performing Arts
